*\*Master frame and divider(s) only.*

Panels and walls are custom manufactured for your order. In all cases:

- The Master Frame assembly is divided into 1, 2, 3, or 4 equally sized interior panel openings based upon Model ordered.
- Each interior panel opening is then further divided into upper and lower openings.
- The horizontal divider is centered.

See reverse side for all specifications, limitations, and options.

**Fully custom layouts, shapes, and sizes are also available.  
See Custom Layout data sheet for details.**
