

**LIMITED WARRANTY TRANSFER**

This limited warranty is transferable from original property owner, or any registered subsequent property owner(s), to any further subsequent property owner(s) where Product is installed, provided each subsequent property owner registers this limited warranty transfer with 30 days of property transfer, provides a non-refundable transfer-processing fee of \$50.00 (USD), retains the originals or copies of the original bill of sale and all prior limited warranty registrations and/or limited warranty transfers. Transferred warranties originate on the starting date of the original limited warranty registration of the Product and shall provide coverage only for the period of time remaining from the original registration date.
